

DAILY PROGRAMME

MONDAY, 30 NOVEMBER 2009

WORKSHOPS

- 08h30 – 12h30 WORKSHOP 1 Venue: Meeting room 22 ABC
Academic literacies amongst Master of Public Health (MPH) students
- WORKSHOP 3 Venue: Meeting room 22 BEF
Theory-Based for Public Health Intervention Research Workshop
- WORKSHOP 8 Venue: University of Kwa Zulu Natal
Introduction to SAS (Statistical Analysis Software, version 9.1)
- 14h00 – 16h30 WORKSHOP 5 Venue: Meeting room 22 ABC
"Crossing the Great Divide"- Intersectoral Public Health action: myth, mystery or possibility?
- WORKSHOP 6 Venue: Meeting room 22 BEF
Meeting MDG 6: learn about how the Cochrane HIV/AIDS Review Group can help you meet this challenge
- WORKSHOP 7 Venue: Meeting room 22 G
Organizing and Collaborating for Public Health

CONFERENCE REGISTRATION

- 10h00 – 21h00 Conference Registration Venue: Hall 3A - Foyer

MEETINGS

- 15h00 – 16h30 PHASA Executive Meeting Venue: Meeting room 12 CD
- 16h30 – 18h00 African National Public Health Associations Forum Meeting Venue: Meeting room 12 CD

WELCOME COCKTAIL

- 18h00 – 21h00 Welcome Cocktail Ehibition: Hall 3A
- Progress towards the MDGs in South Africa: Lessons from West Africa
Prof Dan Ncayiyana , Editor, South African Medical Journal

TUESDAY, 01 DECEMBER 2009

- 07h00 Registration

OPENING SESSION

- 08h30 PLenary SESSION Venue: Plenary venue (Hall 2CDE)
- Chair: Professor Laetitia Rispel
President, PHASA & Chair of PHASA 2009 Scientific Committee
- 08h35 – 08h55 Messages of Support
- Dr Barbara Hatcher, World Federation of Public Health Associations & American Public Health Association
Dr Newton Kumwende, International Epidemiological Association

KEYNOTE ADDRESSES

08h55 – 09h30 Achieving MDGs In Sub-Saharan Africa: The Role Of Public Health And Other Professional Associations
Prof Dan Kaseje, Professor of Public Health and Vice Chancellor, Great Lakes University of Kisumu, Kenya

09h30 – 10h00 Can a National Health Insurance system assist with achieving the MDGs? Key issues to consider
Prof Di McIntyre, University of Cape Town, South Africa

10h00 – 10h30 TEA BREAK

10H30 – 11H30 PARALLEL SESSION 1

Health Financing
Venue: Plenary venue
Chair: Indres Moodley

10h30 – 10h45 A health expenditure review of the South African public health care sector for the financial years 1 April 2003 - 31 March 2007
Chetty, T

10h45 – 11h00 The implications of alternative mandatory health insurance systems for South Africa
McIntyre, D

11h00 – 11h15 Health financing and benefit incidence in South Africa: Implications for the current health insurance policy debates
Ataguba, J

11h15 – 11h30 The impoverishing and catastrophic effects of out-of-pocket payment for health care in South Africa
Ataguba, J

Social Determinants of Health
Venue: Hall 3B
Chair: Mathias Some

10h30 – 10h45 Poverty and inequality as determinants of health disparity: In the context of the African Millennium Development Goals
Worku, E

10h45 – 11h00 The role of poverty in patient adherence to TB treatment
Lutge, E

11h00 – 11h15 Socio-economic factors determining the occurrence of sexually transmitted infections among learners in senior secondary school of the Lusikisiki educational district of the Eastern Cape Province
Mokonoto, M

11h15 – 11h30 Socio-demographic and socio-economic factors associated with the uptake of VCT in rural South African community
Lerebo, W

Injuries and Violence
Venue: Hall 3C
Chair: Debbie Bradshaw

10h30 – 10h45 Homicide patterns in the Western Cape
Groenewald, P

10h45 – 11h00 Emotional abuse among young rural South African women: Associations with adverse health outcomes
Jina, R

11h00 – 11h15 HIV, transactional sex and experiences of sexual coercion among men who have sex with men (MSM) in the Johannesburg/eThekweni men's study (JEMS)
Rispel, L

11h15 – 11h30 A profile of fatal injury risk for older adults in urban South Africa
Smith, M

Substance Abuse: Alcohol
Venue: Meeting room 12
Chair: Flavia Senkubuge

10h30 – 10h45 Community-level prevention is effective in reducing prevalence of fetal alcohol spectrum disorders in Northern Cape, South Africa: A multicentre before-after study
Viljoen, D

10h45 – 11h00 Community intervention to change drinking behaviour in pregnant women: A first step in a researcher/community partnership
Marais, S

11h00 – 11h15 The influence of parental socialization on adolescent alcohol use in a district of KwaZulu-Natal, South Africa
Ghuman, S

11h15 – 11h30 Reducing the risk of alcohol exposed pregnancies in the Western Cape: A randomised controlled trial evaluating motivational interviewing and life skills training
Moodley, S

11H30 – 13H00 POSTER SESSION

13h00 – 13h45 LUNCH

13H45 – 15H15

PARALLEL SESSION 2

Health Systems

Venue: Plenary venue

Chair: David Buso

- 13h45 – 14h00 Country experiences with integrating programmes for the prevention and control of neglected tropical diseases
Moorman, J
- 14h00 – 14h15 Equity-oriented policies in public hospitals: How local level power and organisational culture determine implementation
Gilson, L
- 14h15 – 14h30 Risk reduction education within HIV care and treatment programmes: Challenges to primary level care settings in South Africa
Rebert, J
- 14h30 – 14h45 Health systems assessment of a decentralised model of treatment for MDR TB in rural areas of KZN
Loveday, M
- 14h45 – 15h00 Experiences of a community based referral network providing integrated care for patients with TB and HIV in Okhahlamba municipality, KwaZulu- Natal
Kerry, C

Child Health

Venue: Hall 3B

Chair: Mala Rao

- 13h45 – 14h00 Measuring indicators of child health at community level in South Africa, using the lot quality assurance sampling (LOAS) methodology
Kerry, C
- 14h00 – 14h15 A baseline assessment of child health/morbidity in Makhuduthamaga, Limpopo Province: Lessons from the LOAS method
Sivhaga, A
- 14h15 – 14h30 Social, health and nutrition profile of children 0-60 months and their caregivers in rural districts of KwaZulu-Natal and the Eastern Cape
Schoeman, S
- 14h30 – 14h45 Results from a multi-centre cluster-randomised behaviour intervention trial PROMISE EBF: Exclusive breastfeeding promotion in Sub-Saharan Africa
Jackson, D
- 14h45 – 15h00 Prevalence of child rape in the Mthatha area of South Africa
Kaswa, R

HIV & AIDS

Venue: Hall 3C

Chair: Newton Kumwende

- 13h45 – 14h00 Patient experiences with antiretroviral therapy (ART) programme in KwaZulu-Natal, South Africa
Mkhize, S
- 14h00 – 14h15 Understanding why patients drop out of ART programmes: Improving the provision of chronic care for ART patients
Ngoma, B
- 14h15 – 14h30 Stigma - A barrier to HIV testing despite cumulative exposure to HIV and AIDS information, education and communication strategies in rural Kwazulu-Natal (KZN), South Africa (SA)
Taylor, M
- 14h30 – 14h45 Ethiopia's Progress towards the Millennium Development Goals (MDGs) for HIV/AIDS
Getaneh, M
- 14h45 – 15h00 The influence of helminths to immune responses to HIV
Mkhize-Kwitshana, Z
- 15h00 – 15h15 The medical use of cannabis for reducing morbidity and mortality in patients with HIV/AIDS: A systematic review
Lutge, E

Environmental Health

Venue: Meeting room 12

Chair: Shan Naidoo

- 13h45 – 14h00 Elevated mercury exposure in communities living alongside the Inanda dam, South Africa
Papu-Zamxaka, V
- 14h00 – 14h15 The effect on incidence of diarrhoea of levels of water, sanitation and hygiene in Durban, South Africa
Hobday, M
- 14h15 – 14h30 Public health implications of greywater re-use in South Africa
Zuma, B
- 14h30 – 14h45 The extent of use of lead-based paint on playground equipment in public children's parks in Johannesburg, Ekurhuleni & Tshwane
Mathee, A
- 14h45 – 15h00 Lead exposure and the onset of puberty: birth to twenty cohort
Naicker, N
- 15h00 – 15h15 Reproductive health effects due to pesticide exposure in boys in the Western Cape Province, South Africa
English, R

15H20 – 16:00	POSTER SESSION	
16h00 – 16:20	TEA BREAK	
16H20 – 17H35	PARALLEL SESSION 3	
	Equity	Venue: Plenary Venue Chair: Dan Kasege
16h20 – 16h35	Equity in health financing: A review of health care financing systems in four organization of economic co-operation and development (OECD) countries (Canada, Mexico, Republic of Korea and the United Kingdom)	
	Kinyua, C	
16h35 – 16h50	Equity and access within the South African health system: A national household survey	
	Goudge, J	
16h50 – 17h05	What does global health initiatives (GHIS) financing for HIV do to health equity in South Africa?	
	Parsons, A	
17h05 – 17h20	Financing equitable access to anti-retroviral therapy (ART) in South Africa	
	Cleary, S	
	Social determinants: Education	Venue: Hall 3B Chair: Annette Gerritsen
16h20 – 16h35	HIV prevention in schools: Who are the peer educators?	
	Mason-Jones, A	
16h35 – 16h50	Developing secondary schools as health promoting schools for prevention of HIV and TB: A collaborative approach	
	Mohamed, S	
16h50 – 17h05	A study exploring the applicability and the cultural appropriateness of a counselling booklet which is part of a community-based health package in Umlazi, KwaZulu Natal	
	Hoosain, N	
17h05 – 17h20	Health Promotion for Acute Rheumatic Fever: A Scientific Framework for developing an intervention targeting school-based learners	
	Scheepers, L	
17h20 – 17h35	Mobilising community health workers for HIV/AIDS in South Africa: A sustainable response to the human resource crisis	
	Lehman, U	
	Health Rights and community governance	Venue: Hall 3C Chair: Irwin Friedman
16h20 – 16h35	Rights to Health and Housing: Exploring the Built Environment in eThekweni, South Africa during an HIV/AIDS/TB Epidemic	
	Taylor, M	
16h35 – 16h50	Parliamentary committee experiences in promoting the right to health in East and Southern Africa	
	London, L	
16h50 – 17h05	Critical learning and lessons from training community health governance structures	
	Ngcobo, H	
17h05 – 17h20	Promotion of gender equality by improving women's reproductive health through rights-based approach in primary health care settings: A case of Jijenge!: Women empowerment initiative in Mwanza ,Tanzania	
	Matasha, E	
17h20 – 17h35	Creating explorative spaces for youth to find their own voice. The unique role of the experiential expressive arts in building self leadership skills	
	Glajchen, S	
	Sexual and Reproductive Health	Venue: Meeting room 12 Chair: Khosi Xaba
16h20 – 16h35	Dual protection, contraceptive use and HIV risk among a sample of South African male and female students	
	Pengpid, S	
16h35 – 16h50	Addressing the compounding factors within females' reproductive health and sexual health towards the prevention of HIV and AIDS	
	Mataboge, M	
16h50 – 17h05	Trends and determinants of sexual behaviour among young adults in the Cape Metropolitan area using the Cape Area Panel Study	
	Letsoalo, T	
17h05 – 17h20	Evaluation of the termination of pregnancy services of the Johannesburg Metro District in the Gauteng Province	
	Mendes, J	
17h20 – 17h35	Evaluating cervical screening in the Johannesburg Metro District: Recommendations for improving the programme	
	Jassat, W	
17h35 – 18h30	PHASA AGM	Venue: Plenary venue

19H00 – 23H00 PHASA DINNER

Venue: Southern Sun, Elangeni Hotel

The Lancet Series: Progress in achieving the Millennium Development Goals in South Africa
Prof S Abdool Karim; Director, Centre for the AIDS Programme of Research in South Africa, University of KwaZulu-Natal

WEDNESDAY, 2 DECEMBER 2009

07h15 – 08h30 Epidemiology of HIV and emerging infections in Sub-Saharan Africa
Venue: Plenary venue
Chairs: Dr N Kumwenda, Prof N Jinabhai

1. The Epidemiology of HIV infection in South Africa
Prof Salim Abdool Karim
2. The Changing Epidemiology of HIV and Source of New Infections in Uganda
Prof Fred Wabwire-Mangen
3. The Epidemiology of HIV in Lagos State in Nigeria
Dr Abimbola Aman-Oloniyi
4. Ebola Viral Hemorrhagic Fever Outbreak in Uganda
Dr Lukwago Luswa
5. Identifying HIV Acute Infections (AHI) among STI patients at Queen Elizabeth Central Hospital, Blantyre, Malawi
Dr Minyanga Nkhoma

08H30 – 09H00 PLENARY SESSION
Venue: Plenary venue
Chair: Professor David Sanders

Millennium Development Goals: Sub-Saharan African and Indian perspectives on progress towards achieving the MDGs and the scope for shared learning and collaboration in addressing these goals.
Prof Mala Rao, Director of Indian Institute of Public Health, India

09H15 – 10H30 PARALLEL SESSION 4
Human Resources
Venue: Plenary venue
Chair: Prudence Ditlopo

- 09h15 – 09h30 Policy interventions to improve health worker retention in rural areas: Baseline results from the CREHS cohort study
Erasmus, E
- 09h30 – 09h45 Impact of global health initiatives (GHIS) on the health workforce in Burundi
Cailhol, J
- 09h45 – 10h00 Human capacity development to address HIV & AIDS in South Africa
Rebert, J
- 10h00 – 10h15 Care for the care workers: Factors impacting on wellness and welfare of home based community care workers in Umkhanyakude district
Porter, S
- 10h15 – 10h30 Identifying roles and competencies of district and sub-district pharmacists: case study from Cape Town
Bradley, H
- 10h30 – 10h45 Defining the gap between policy and practice: the experience of rehabilitation professionals within the South African public health sector
Dayal, H

Data quality and Information Communication Technologies
Venue: Hall 3B
Chair: Jeanette Hunter

09h15 – 09h30 Developing and implementing an integrated audit tool for Chronic Disease management (CDM) at Primary Health Care facilities (PHC) in the Metro district, Western Cape
Govender, I

- 09h30 – 09h45 The joint information management initiative (JIMI): Improving data management in the Western Cape Province, SA
English, R
- 09h45 – 10h00 Interpreting official cause of death data on the trends in childhood mortality in South Africa
Nannan, N
- 10h00 – 10h15 Data challenges in monitoring progress around maternal, newborn and child survival
Nicol, E
- 10h15 – 10h30 Using a web based information system to manage the implementation of a randomised controlled trial
Ijumba, P
- 10h30 – 10h45 Experiences of using cell phones in data collection in a large scale project
Magasana, V

Mental Health
Venue: Hall 3C
Chair: Lyn Middleton

- 09h15 – 09h30 Poverty and common mental disorders in low and middle-income countries: a systematic review
Lund, C
- 09h30 – 09h45 Exploring the psychosocial well-being of teenagers affected by HIV/AIDS
Gumede, P
- 09h45 – 10h00 Does social support affect depression in patients on antiretroviral treatment program in rural KwaZulu- Natal, South Africa?
Yeji, F
- 10h00 – 10h15 Strategies of reducing consistent relapse and readmission of mental health care users (MHCU). A collaborative integrated early intervention approach (CIEIA)
Senkubuge, R

Substance Abuse (Tobacco)
Venue: Meeting room 12
Chair: Barbara Hatcher

- 09h15 – 09h30 Tracking tobacco attributable deaths in South Africa, 1999-2006
Bradshaw, D
- 09h30 – 09h45 Adolescents' perceptions of their cigarette smoking behaviour and the factors that maintain their habit
Arendse, N
- 09h45 – 10h00 Predictors of adolescents and young adults smoking behaviour in metropolitan Cape Town, South Africa: Evidence from Cape area panel study
Oyedokun, A
- 10h00 – 10h15 Process of change: Pregnant women's response to a culturally specific smoking cessation intervention and its role in changing smoking behaviour
Petersen, Z
- 10h15 – 10h30 Psychosocial factors associated with tobacco use among a population of medical students in Pretoria, SA
Senkubuge, F
- 10h30 – 10h45 The Evaluation of a smoking cessation intervention for pregnant women
Murphy, K

10h45 – 11h00 TEA BREAK

11H00 – 12H00 POSTER SESSION

12h00 – 13h00 LUNCH

13H00 – 13H30 POSTER SESSION

13H30 – 14H45 PARALLEL SESSION 5

Non-communicable diseases
Venue: Plenary venue
Chair: Thandi Puoane

- 13h30 – 13h45 Risk behaviour trends for non-communicable chronic diseases in the transition to adulthood from SADHS conducted in 1998 and 2003
Peer, N
- 13h45 – 14h00 An epidemiological study of natural deaths in Limpopo
Maphanga, M
- 14h00 – 14h15 Genetic epidemiology of respiratory disease: A South African perspective
Reddy, P
- 14h15 – 14h30 Epidemiology of unintentional drowning in South Africa (RSA): 2001- 2005
Donson, H

14h30 – 14h45 The metabolic syndrome and associated risk factors in the Johannesburg health district
Moodley, N

Occupational Health
Venue: Hall 3B
Chair: Rodney Ehrlich

13h30 – 13h45 Occupational exposures and chronic obstructive pulmonary disease
Govender, N

13h45 – 14h00 Occupational contact dermatitis: A compensation process gone wrong
Rose, A

14h00 – 14h15 Occupational risk factors associated with tuberculosis in health care workers working in the Durban South region of the Ethekewini Municipality, KwaZulu-Natal South Africa
Seevnarain, K

14h15 – 14h30 Combined exposure of chemicals & noise on hearing in the rubber industry
Niranjan, I

Evaluation and Measurement
Venue: Hall 3C
Chair: Supa Pengpid

13h30 – 13h45 Evaluation of community-based growth monitoring in rural districts of KwaZulu-Natal and the Eastern Cape
Faber, M

13h45 – 14h00 Evaluation of an acute HIV infection diagnosis, behavioural counselling, and partner notification program in a public health service for youth, Cape Town, South Africa
Zwane, B

14h00 – 14h15 Lot Quality Assurance sampling as a management tool
Naidu, T

14h15 – 14h30 Quality of tuberculosis microscopy in KwaZulu-Natal
Ramkrishna, W

14h30 – 14h45 Risk to child safety in Creches (Vlakfontein and Broadlands Park, South Africa)
Laher, H

Communicable Diseases
Venue: Meeting room 12
Chair: Stephen Knight

13h30 – 13h45 Sperm chromatin integrity of DDT exposed South African population living in a Malaria area
de Jager, C

13h45 – 14h00 Malaria control in South Africa: Beyond MDG 6
Moonasar, D

14h00 – 14h15 Characteristics of randomized controlled trials of Malaria prevention and treatment in Africa
Gerritsen, A

14h15 – 14h30 Pandemic influenza A (H1N1) 2009 in South Africa: The first 100 cases
Timothy, G

14h30 – 14h45 Analysis of a provincial response to swine flu
Cameron, N

15H00 – 15H30 CLOSING PLENARY SESSION

Venue: Plenary venue
Chair: Professor Laetitia Rispel

Reflection on achieving the MDGs in South Africa
Dr Eddie Mhlanga, National Dept of Health

PRIZE GIVING
